Eagle Valley Campground

Eagle Valley is the crown jewel of the Washington State Eagles. Over 30 years ago a small group of people had a vision to purchase acreage to be owned, supported and used by the entire membership of the state Auxiliary and Aerie, equally. That vision turned into 40+ acres of land in Cle Elum, just 90 minutes east of Seattle. A primary purpose of the Valley is to support the state Youth Program, which we agree is a key to the future of our membership. Every year hundreds of brothers and sisters from all over the state, camp together, play together, build friendships, and exchange ideas. We have an array of fundraising activities all summer long, so come for the day, spend the night, host your FOE picnic there, hold your family reunion there, the possibilities are endless.
