This program will have two focus areas. They are fund raising and working with our Senior Population. It is important to raise money but we also need to focus on working with our Golden Eagles and Seniors. Awards will be based on both areas combined.

There will be points awarded for every hour served by helping our Seniors. Please keep track of all that you do and report on time spent.

Some ideas are:

1. Volunteering in Alzheimer's or Nursing facilities
2. Providing rides for Seniors to meetings or appointments
3. Visiting Seniors that cannot leave their home.
4. Inviting them to your home for special occasions
5. Preparing them their favorite food.
6. Read to them. Newspapers, books, mail
7. Help them write letters or pay bills.

Fund raising for Seniors could be used to help them pay their dues.

It is also important to educate yourself about Alzheimer's. It is a very devastating disease and it affects people in many different ways. Go to this web-site for a lot of information:

Points will be given if you present an educational event as part of your fund raising program.

Two reports are expected. You may mail them or send via email. First one is by September 15, 2009. In this report please include the following:

1. Auxiliary name/Chairman's name
2. Auxiliary address/Chairman's Address
3. Number on the rolls as of June 1, 2009
4. Email address of Aux./Chairman

Also include some of the ideas you have to work on for the year.

Second Report is due May 15, 2010. Include everything you did this year. Remember points are awarded for service as well as money raised. See attached for a fund a raising idea.
