

Washington State Patriotism Program 2009 - 2010

Hi sisters,

State Madam Pres. asks our programs be short and sweet.

I would ask that the auxiliary chairman send me the number on your rolls as of June 2009

I would like to also receive the name, address and phone number of the chairman.

All I ask is that at least one function or event be put on to raise funds this year and send me how you did it and how much was raised. The actual money goes to the WA State Secretary Bill Smith, do not send the money directly to me.

I will have pins and plaques available at the year in gear in Wenatchee in July you can buy them from me or get some to sell for Patriotism.

The first report due to me on Sept 28th and the second one due May 1st
This report should include the amount of monies raised and a copy of the check.

Thank you and wave those flags for freedom!!
