

# Eagle Valley Fundraising Program 2009/2010

Hello Sisters,

My name is Amy McGrath and I am delighted to be the Eagle Valley Auxiliary Fundraising Chairman for 2009-2010. Eagle Valley holds a special place in my heart, as I hope it does in yours.

There are many ways you can encourage your Auxiliary/District to support Eagle Valley. The greatest asset you have is Eagle Valley itself. Share with your sisters how wonderful the valley is; tell them about our various events and the fun we have participating in them. As we know, Eagle Valley is a special place, let's share that with everyone. Also, utilize the magnificence of Eagle Valley as a way of promoting potential new sisters to join this wonderful organization.

Eagle Valley holds a vast array of fundraising activities all summer long. A full list of events is listed on the Washington State website. Please try to attend these events and encourage others to do the same.

Another great way to raise money is through fundraising at your Auxiliary and District. Cook a dinner, hold a 50/50 raffle, have a bake sale, a car wash, the possibilities are endless. While many members might not donate cash directly to a charity, the chance that they will buy a dinner or a raffle ticket is very good. Utilize that opportunity and you will be successful.

Each Auxiliary and District is strongly encouraged to put together a basket for the Memorial Day auction. There are various prizes awarded for best basket, most creative basket, the basket that brings in the most money, etc. The Memorial Day auction is essentially the "bread and butter" of fundraising at the valley.

This year I am asking for each Auxiliary, District, and RV Club to send in two reports. The first report will be due September 15, 2009. Please include the chairman's name, phone number, email address and the number on your rolls as of June, 1 2009. Also include some of the fundraising ideas you have. The final report will be due May 1, 2010. In your final report, please include the total amount of monies raised for Eagle Valley. Reports can be "snail mailed" or emailed to the address below. Fundraising awards will be given out on a per capita basis.

Please send your reports to:

Reports can also be sent to [amymcgrath@westseattleagles.org](mailto:amymcgrath@westseattleagles.org)

The subject line should read: Eagle Valley fundraising, otherwise they might not be opened

Remember, Eagle Valley operates solely on a donation basis. With your help and enthusiasm I believe we will have a wonderful year. Hope to see you all at the Valley soon.

Fraternally, Amy McGrath
